## ACADEMIC APPOINTMENTS

---

- 2023- **Postdoctoral Research Fellow**  
Hunter College, CUNY (jointly appointed with The Graduate Center, CUNY)
- Project: *The Effect of Social Isolation on Lexical Retrieval in Elderly Adults* (funded by National Institutes of Health)
  - PIs: Amy Vogel-Eyny (Hunter College, CUNY), Loraine Obler (The Graduate Center, CUNY)
- Summer 2023 **Instructor of Korean**  
Purdue University
- 2020-2022 **Instructor of Linguistics**  
Purdue University

## EDUCATION

---

- 2023 **PhD in Linguistics**  
Department of Linguistics, Purdue University
- Title: *Production and perception of Korean and Korean–accented English clear speech*
  - Committee: Olga Dmitrieva (chair), Alexander L. Francis, Daniel J. Olson, Colleen Neary-Sundquist
- 2018 **MA in English Language and Literature**  
Department of English Language and Literature, Yonsei University
- Title: *An acoustic analysis of English lexical stress realized by Korean, Japanese, and Chinese speakers in comparison to native English speakers*
  - Committee: Seok-Chae Rhee (chair), Eun-Kyung Lee, Hong-Won Seo
- 2015 **BA in English Language and Literature**  
Department of English Language and Literature, Yonsei University

## RESEARCH INTERESTS

---

Phonetics, Laboratory phonology, language acquisition, accented speech, hyper-articulation

## TEACHING EXPERIENCE

---

### Purdue University

- Summer 2023            Primary Instructor for *Korean 102*
- Fall 2022                Primary Instructor for *Fundamentals of Phonology and Morphology*
- Spring 2022             Course Coordinator/Primary Instructor for *Introduction to Linguistics*
- Fall 2021                Primary Instructor for *Introduction to Linguistics*
- Spring 2021             Primary Instructor for *Fundamentals of Phonology and Morphology*
- Fall 2020                Primary Instructor for *Introduction to Linguistics*

### Yonsei University

- Fall 2017                Teaching Assistant for *Introduction to Linguistics*

### Guest Lectures

Jung, Y. J. (February 2023). Introduction to using Praat scripts. Presented at *Graduate Acoustics of Speech*, Purdue University, IN.

## RESEARCH EXPERIENCE

---

- 2019-2020                Research Assistant to Dr. Olga Dmitrieva (Purdue University)
- Duties: analyzed segmental features of English recordings, recruited and scheduled participants, ran linguistic experiments using E-Prime and PsychoPy
- 2016-2017                Research Assistant in Electronics and Telecommunications Research Institute (Daejeon, South Korea)
- Project: *Source Technology Development for Spontaneous Speech Dialogue Processing for Language Learning*

- Duties: evaluated read and spontaneous English sentences spoken by Korean adults and children, tagged segmental errors of English spoken by Korean learners, marked supra-segmental features of English sentences
- 2015-2016      Research Assistant to Dr. Eun-Kyung Lee (Yonsei University, Seoul, South Korea)
- Duties: ran psycho-linguistic experiments on English speech production by Korean learners, recruited and scheduled participants, collected and managed participation information data

## FUNDINGS, FELLOWSHIP, & AWARDS
